

# The Devil's Eye

👁️ 40 ✓ 1 ★ 6

## Chapter 1 by Story Wars

I stand there frozen in time  
Those beady eyes staring into my soul,  
I try to speak  
But nothing comes out,  
Ding!  
The clock strikes midnight  
There's a sudden chill in the air,  
Wisps of smoke escape a chimney  
Turning into nightmares,  
Piece by piece, cell by cell  
I am ripped apart,  
The last thing I saw burned my eyes  
Darkness was, the devil, in disguise

## Chapter 2 by Kaylee

**\*No matter what, we are always found\***

To lay upon the fertile ground  
Dressed by bodies unknown

I am not the first  
nor am I last

To look into the eyes  
That would be my last

When my being is no more  
I lie beneath to floor

Again the clocks chimes  
far far away

No matter what, we are always found  
To lay beneath the fertile ground
